

The Muslim Investor's Book List

Over the years a number of you have asked us either in the comments or by email to recommend a few books to get you started on your investment journey. So Mohsin and I have thought hard and collated the following recommendations for you to start populating your investment bookshelf with! Please note that we do get paid a small affiliate fee by Amazon if you do end up clicking through and purchasing – we hope that you can support us if you find this list we've compiled useful and want to purchase.
